RE: MR. CHRIS AKERS

This is to certify that Mr. Chris Akers has been employed by our company from January 21st 2008 to July 25th 2008 as a Technical Writer in the Engineering Department. He reports directly to the Engineering Documentation Supervisor.

During his service, Chris has proved himself as a very good performer. He is hard working, dependable, and diligent. He has been a very good creative and technical resource concerning the creation of our instruction manuals for both new and existing products. In terms of personal character, he is easy to work with and could associate himself well with his colleagues and the vendors.

In considering his services with us as well as his own personality, I will not hesitate to recommend him to any of his potential employers.

Sincerely,

Steve Wood
